

PURINA
WIND & RAIN
CATTLE MINERAL

PURINA WIND & RAIN® ALL SEASON 7 COMPLETE AV-4

40272

What It Is...

A comprehensive line of beef cattle minerals designed to correct the mineral deficiencies of the available forage in a palatable, weather-resistant, loose formula. Wind and Rain® cattle minerals' large particle size and special formulation keeps the mineral from blowing out of the feeder. And, since the moisture from rain or snow passes easily through the mineral, cattle continue to consume it even after it has been wet. This reduces waste and, as a result, makes Wind and Rain® more economical to feed than conventional loose minerals.

Available As:

| Code No. | Mineral Name | Active Ingredient | Level |
|----------|--|---------------------------|--------------------------|
| 0040272 | Wind & Rain All Season 7 CP AV4 | Non-Med | none |
| 0040271 | Wind & Rain All Season 7 CP AV4 AU 2800 | Aureomycin | 2800 g/ton |
| 0042060 | Wind & Rain All Season 7 CP AV4 AU 5600 | Aureomycin | 5600 g/ton |
| 0040265 | Wind & Rain All Season 7 CP AU2800 ALT | Aureomycin Altosid | 2800 g/ton 95.2 g/ton |
| 0040105 | Wind & Rain All Season 7 CP AU5600 ALT | Aureomycin Altosid | 5600 g/ton 95.2 g/ton |
| 0040125 | Wind & Rain All Season 7 CP AV4 No Se | No Selenium | |
| 0040131 | Wind & Rain All Season 7 CP AV4 No Se AU2800 | Aureomycin No Selenium | 2800 g/ton |
| 0040115 | Wind & Rain All Season 4 CP AV4 | 4% Phosphorus | |

| Features | Benefits |
|---|--|
| Balanced mineral nutrition | Wind and Rain® minerals contain the proper balance and ratios of all 14 essential cattle minerals. Matching the correct product for the cattleman's available forage assures cattle receive the mineral nutrition they need for health, growth and reproduction. |
| Consistent Consumption | Research tested and field proven, Wind and Rain® minerals are formulated with high quality, coarse textured ingredients that helps assure palatability. That means cattle will consume what they need, when they need it. |
| Contains Zinpro Performance Minerals | Meets 100% of trace minerals requirements using Zinpro's Availa®-4 complexed trace minerals at a 4 oz consumption rate. |
| Provides optimum levels of trace minerals at a 4 ounce consumption rate | Aids in disease prevention, improves fertility, and promotes fetal development. |
